

SFS & AF Proudly Supporting the Cancer Council...!

Hi Clients & Friends of **The SFS Group**,

We wanted to take this opportunity to thank you all for being involved in our **Australia's Biggest Morning Tea** Event that we held on the **31st of May 2011**. The support was truly overwhelming and it was wonderful to have everyone share their experiences in a friendly, open environment. I would like to take this opportunity to *thank everyone for your continued support!*

I believe that it is moments like these where we get to see how much cancer touches lives, the impact that a sound financial plan can have on your family, and the benefits of a strong sense of community.

“With 1 in 2 people affected, every donation counts in the fight against cancer!” Over 3, 400 morning teas

were held across WA to help tip the balance in the fight against this tragic disease. The Cancer Council has raised over **\$670, 000** in WA only, and without the support of event such as our Australia's Biggest Morning Tea where our valued clients and team members dug deep to make a difference, none of this would be possible. The money raised will help Cancer Council WA continue to fund vital cancer research, prevention campaigns and support services for cancer patients and their loved ones.

We would also like to acknowledge **Rob Thomas** from **AXA Australia** who facilitated an information session on Transition to Retirement strategies and budget update.

It was a good opportunity for our team members and clients to get together in a less formal and more social environment. Please stay tuned for our future events. As always, thank you for your continued support!
