

Southern Financial Strategies & Accounting Focus are proud to present....

*“The top 5 crucial tips that YOU need to implement
to minimise your tax burden!”*

Steve Salvia, CEO of **Southern Financial Strategies** and **Accounting Focus**, is honoured to be running this session for our clients. This workshop is designed to provide you with the **top 5 tips that you need to implement this tax season to reduce your tax burden...!**

Due to popular demand, Steve has been asked to provide YOU with some valuable insights into how you can effectively reduce your tax burden and ensure that you are able to find ways to continuously improve your financial situation. (Refer to Steve's bio overleaf)

As an added BONUS...
Attendees will receive a **complimentary 10 Ways Report**
“The 10 vital steps to grow your business and increase your profitability..!”

This session has been designed for a small, 'select' group of like-minded individuals to ensure a more intimate and personalised environment where you can gain some specific details about how to reduce your tax burden! We promise this will be a casual and informative breakfast and is just another way for us to 'add value' for you.
